SAVAGE & CALDERA

Simple is pure. Simple is essential. Simplicity is the guiding principle of Nude.

When it comes to precision glassware Nude provides a masterclass of craftsmanship. Using only lead free crystal glass, Nude offers a level of clarity, definition and strength unparalleled in gossamer-thin glassware.

Nude is a contemporary brand dedicated to creating exceptional glassware for modern living, reflected both in its glass products and its core value:
Simple is Beautiful.

Savage by Nude is the first glassware collection from the philosopher turned mixologist Rémy Savage. A beautiful exploration of shapes and form defined by their ultra-simple and rigorously functional aesthetic.
